USER REVIEWS

This is such a wonderful guide into what makes us tick and why we were born when we were. I could not have spent the money in a better way than having a blueprint for who I am written so eloquently.

- **Bianca**

Surprisingly prompt and happily received. Superb level of astrological details delivered clear and concisely. Highly recommend to new and veterans interested in astrology.

- **Valerie**

I really enjoyed reading my Guide to my Birth Chart. I have some challenging aspects that traditional astrology explains pretty negatively. However this reading explained the pluses and minuses to challenging and easy aspects. It was refreshing.
